## Winter Classes

We have an exciting line-up of classes and workshops coming together for Winter of 2007. The first will be Amity Ollis' series of four Middle Eastern Dance Classes (Belly Dance) starting December 18th and bringing us into the New Year. The others will follow in January and February and will include everything from Oil Painting to Beginning Crochet. Most teachers have received their materials in a teacher packet with some materials to be returned to Joan Thomson, including a form for their class syllabus due 3 weeks before the beginning of their class or workshop. Teachers be thinking about your materials list and a flier to advertise your class. Any classes or workshops for which CMAA will be paying for space must have 5 students minimum to run. I'll need the assurance of each teacher of such a class that they have this minimum before payment for the space is due, so please keep in touch. Check out our website at <[cardiganart.org](http://cardiganart.org)> Classes, (and have your friends check it out!) for details on the classes. A brochure has been printed and is available at the CMAA yahoo group and CMAA website. **Volunteers are needed to compile our mailing list and address class brochures. If you can help with this, please contact Joan Thomson at [graphicark@valley.net](mailto:graphicark@valley.net).**

## Board Meeting December 7 2006

Our winter show will run from January 12th into early April. If you wish to participate please add your name to the list at the gallery. A call for entries will be sent out soon to those on the list, and will include more information. Each person is asked to bring enough work to display in a 4' x 4' space for the wall or 2' x 2' x 4' space for 3 dimensional work. Work will be displayed in the same fashion as the holiday show, with everything mixed together in a pleasing arrangement. There will be room for additional unframed work and cards in the flat file and racks as well. The fee is \$25.00 per month. We ask that payment be made for the entire 3 months (\$75.00) on or before the drop off dates. There will be no exhibit fee and no commission will be taken. We also ask that each participating member plan to sit at least one shift each month for the run of the show. If you have questions please contact Jane Arnold, Barb McAlister, or Thom Rock.

## **CMAA Presents: Basic Photography**

What am I doing wrong? Is it the camera or me? Why do his photographs look better than mine? Would you like to find out the simple answers to these questions? Or, would you like to photograph you children or grandchildren? Shoot wildlife? Landscapes? Then join me for a fantastic workshop on the basics of photography. Whether you use digital or film, point and shoot or SLR the basic principles remain the same. We will cover the basic rules, dos and don'ts, examples of good photography as well as bad. So bring your camera, manual, and photos of any problems that you might have. During the workshop you will have hands on chance to improve your photography and leave with a better understanding. So dig that camera out of the drawer, buy some fresh batteries and film, bring plenty of memory and your owners manual.

### **Basic Photography with Scott Ainsworth**

Workshop will start January 8th from 6:30 to 9:30. \$30.00 is due upon enrolling  
Please e-mail me at swainsworth@verizon.net with your name and phone number.
